

## Pioneering Education

If innovation in education is your thing, join our team.

To further strengthen our team we are looking for a

### Teacher (m/f/d) at Primary Level with Focus on English

The position is part-time with up to 70% depending on your skills and qualifications.

#### Your responsibilities:

Plan, develop and design lessons

- plan, develop and design lessons according to the school concept
- differentiated and individual support of our learners
- participation in parents' evenings and parent-teacher conferences

Responsibilities for our school community

- supervision duty during breaktime
- (individual) support of learners and learning groups
- participation in excursions and field trips
- preparation of and participation in (international) projects

Participation in the school development and innovation

- development of teaching (didactics and methodology in disciplinary and interdisciplinary teams)
- active participation in regular team meetings
- participation in pedagogical planning days
- participation in coordinated and self-guided further education programs

#### How you can convince us:

- relevant formal qualifications such as university degree in teaching
- teaching qualification for primary levels 1-6
- excellent language skills in English (L1-speaker is an advantage but not a requirement)
- appreciative pedagogical attitude and strength-oriented thinking
- independent, responsible and reliable work ethics
- interest in teaching using digital devices and technologies
- enjoyment in developing and trying out innovative teaching concepts
- courage for active participation

#### What we offer:

We offer a workplace with room for professional and personal development. You will work in pioneering education alongside a courageous and innovation-curious team. We value your strengths and encourage you to contribute to our school community. In addition to an excellent digital infrastructure, small classes and an attractive salary are part of the general conditions.

#### Interested and motivated?

Please send your application to the deputy head of Primary School, Maria Fasel, via email ([maria.fasel@formatio.li](mailto:maria.fasel@formatio.li)) or use the application form at [www.formatio.li](http://www.formatio.li).
